SQUIDS ATTACK!!!

12 0 2

Chapter 1 by Derek Jones

It is the apocalypse.

The Man-Squids have taken over every thing.

Oh, I should tell you my name, It's Dj.

And "I" am the one who knew this would happen, but "NO!" the said I was crazy and had a screw loose!

But THEY were wrong, but they WERE right about the loose screw.

I have a rare case of being a bit insane, it was self diagnosed just so you know.

And I have only a small group of friends to help me, but I will never lose hope, but I might lose my mind while we're at though.
